## **STUFF THE BUS**

An annual back-to-school drive to collect and deliver school supplies to students in need

**SEE THE DIFFERENCE YOUR GIFT  
IS MAKING IN CHILDREN'S LIVES!**

Santa Lucía Middle School in Cambria  
September 6, 2022 during Back to School Night

In 2022, our community convened as volunteers and contributors to deliver over \$53,000 worth of school supplies to over 4,000 students across SLO County.

Our goal for this school year (our 15th annual event) is to raise \$60,000 in donated supplies and sponsorships.

**“The students were so excited to pick their new backpack and schools supplies! Thank you United Way of SLO County!”**

Danilda Reyes, Teacher  
Coast Unified School District

*Thank you to the people of Coastal Pediatric Dentistry for their generous support to help make this, and our other programs, a success!*
