## FREE TAX ASSISTANCE

We believe tax filing should be free, equitable, and simple – and that every SLO County family should have access to adequate resources to lead their best life.

Thanks to your support, United Way of San Luis Obispo County helps hundreds of residents file their federal AND state tax returns for free while ensuring they take full advantage of benefits such as the Earned Income Tax Credit and Child Tax Credits. U.S. citizenship is not required.

We are expanding our tax assistance program this year and looking for as much volunteer support as we can get from Paso Robles to Arroyo Grande! No training or tax experience is needed.

**“I am beyond grateful to have access to a tax preparation service that does their homework. United Way changed my life tremendously. As a single-parent, I can’t thank you enough!”**
