

\$1,500 GRANTS

For Local Non-profits with Youth-based Projects

Each year, the Youth Board accepts applications for \$1,500 grants to local groups that have created projects having a positive impact on youth (up to age 19). All applications are peer-reviewed by members of Youth Board, our group of 35 local high school students seeking to increase philanthropy and leadership in San Luis Obispo County youth.

Local non-profit organizations serving youth in SLO County are invited to apply. Student-submitted applications are also welcome and can have an adult mentor and sponsoring organization. This organization can be a 501(c)(3) nonprofit agency, school, or faith-based organization.

Past grant recipients include:

- Restorative Partners
- SLO Museum of Art
- Aspire Academy
- Boys & Girls Clubs of Mid-Central Coast
- RISE (now Lumina Alliance)
- Paso Robles Youth Arts Foundation
- Cal Poly Learn-By-Doing Lab

**Accepting applications
